

Public school students in Kentucky have an internet - based tool that allows them to explore, plan and prepare for their future.

Schools have student and parent access information in their ILP school system. Schools and Districts are creating plans and processes to incorporate the ILP into the structure of the school, in order to best help students complete and maximize their ILPs. In conjunction with counseling and advising, students now have more information at their fingertips, than ever before.

Students and Parents can access the ILP at www.careercruising.com/ilp

Schools, PTA's, Parent Groups, Community Organizations now have an ILP Parent Toolkit available for use. Resources, videos, and tutorials are available at http://education.ky.gov/educational/CCadv/ilp/Pages/ILP_ParentToolkit.aspx?

A web-enabled tool for students to record and keep their individual;

- Career goals
- Education goals
- Assessment results
- Personal goals
- Awards
- Recognitions
